

CHRISTOPHER ROBERT POTISEK

708 Powell Dr. Apt. D

Raleigh, NC 27606

(919) 539-9348

EDUCATION

Durham Technical Community College (2004-2007)

- Associates Degree of Applied Science from the Dental Technician Program
- Certified in crown and bridge, dentures, partial denture framework, and orthopedic appliances

WORK EXPERIENCE

1. COWAN'S DENTAL LABORATORY, Durham, NC 2006-present

- Performs a variety of techniques necessary for efficient operation in a dental lab such as waxing, investing, and finishing cast partial metal frameworks, surveying and blocking out tooth models, soldering and repairing miscast frameworks, manipulating wrought wire to fit cases, and creating tooth colored clasps.
- Demonstrates proficiency in use of dental laboratory equipment such as a high speed lathe, various hand pieces, hydrocolloid machine, sand blaster, high heat oven, casting machine, and phaser welder.
- Effectively communicates with various dentists and dental labs to ensure delivery of products.
- Enhances understanding of new developments in the field of dentistry through attending annual conventions in Charlotte, NC

2. GENRERAL NUTRITION CENTER, Cary, NC 2002-2006

- Acted as a customer service representative by matching individual customer needs to the appropriate nutritional supplement or vitamin.
- Executed administrative tasks of arranging product shipments, calculating daily sales, and maintaining a high sanitary standard.

3. CAROLINA POOL MANAGEMENT, Cary, NC Summers 2001-2003

- Organized and orchestrated various poolside events.
- Performed lifeguarding duties on a daily basis with careful attention to safety and cleanliness of the poolside environment.
- Demonstrated leadership through weekly swim lessons for children.
